

IT Deans Meeting Agenda  
Washington, DC  
March 1-2, 2005

Tuesday afternoon, March 1:

- 5:00-5:15 Brief introductions (especially new attendees)
- 5:15-6:45 Educational innovation examples:
- 5:15 Jim Thomas, Penn State: Problem-Based Learning
- 5:45 Jorge Diaz-Herrera, Rochester Institute of Technology: Ph.D in Computing and Information Sciences
- 6:15 Mike Murphy, Southern Polytechnic State University: Online BSIT Degree
- 6:45-8:00 Dinner (no agenda)
- 8:00-8:30 Brief update on National Center for Women and IT and discussion of IT schools' involvement
- 8:30-9:00 Briefly frame the Wednesday morning breakout group discussions (Aimee Dorr, David Penniman, Ray Von Dran)

Wednesday, March 2:

- 8:00-8:30 Breakfast
- 8:30-10:00 Three breakout groups to discuss and formulate suggestions and directions on:
- IT Research Grand Challenges (what do we suggest as the next CRA grand challenge, from the IT perspective?)
  - IT Schools involvement in Taulbee survey (how do we get started with piloting involvement, in the next cycle?)
  - NRC Rankings: where and how should IT schools fit in?
- 10:00-10:30 Break
- 10:30-12:00 Reports from breakouts and full group discussions of each, 1/2 hour each
- 12:00-1:00 Lunch
- 1:00-2:00 IT Identity discussion – continuation (John King, George Furnas)
- 2:00-3:00 New Business (topics that come up during meeting), and Selection of topics for next meeting
